STOKESLEY METHODIST CIRCUIT NEWSLETTER

CARLTON EASBY GREAT AYTON HUTTON RUDBY SEAMER STOKESLEY

H O L Y H A B I T S F E L L O W S H I P

“As we begin this new Methodist year we are also starting the second of our Holy habits. “ Fellowship” .The Greek word in which fellowship has its roots is koinonia, a word with great depth of meaning and which challenges us to look afresh at what it means for each one of us to be a part of the body of Christ. It is much more than the superficial relationships we often have with each other in our churches and lives today. It is also about the depth of our relationship with God.

It will be an exciting, hilarious, encouraging and challenging time for us as we explore ways in sharing more deeply together with God, one another and the communities and world around us.

As Wesley puts it

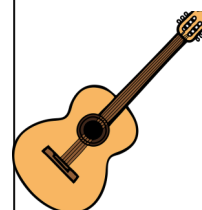

“ He bids us build each other up; and, gathered into one, to our high calling’s glorious hope we hand in hand go on”

It’s all about Loving as we are Loved!”

Rev Andrew Robinson

God in Love Unites Us: Marriage and Relationship Roadshow

The 2019 Methodist Conference made some important recommendations about the Methodist position on marriage and relationships. In the Spring of 2020, District Synods will be considering and voting on these recommendations and feeding back to the Conference.

What will happen?

The Darlington District is offering a series of local opportunities to reflect on the recommendations of the Marriage and Relationships report. The aim of the evenings is to provide an opportunity for open, honest, respectful sharing, for prayer and conversation about how God is calling the Methodist Church at this time and reflection on what this may mean for local churches and circuits.

Who is it for?

Each session is open to anyone from across the district. Please note, it is particularly important that Synod reps attend at least one session.

When is it taking place?

Stokesley Church will be hosting an event on **Thursday 28th November from 7-9.30pm**. If you would like to attend a roadshow event but cannot make the Stokesley date, other sessions are available across the region and dates for these can be found on the Darlington District website.

Prayers for Stationing

Please hold everyone involved in the Stationing process, including Lisa, Andy and family and Circuit Invitations Committee in your prayers.

Easter Offering 2019 'Longer Tables Lower Fences'

"I would like to express my thanks to everyone who supported the 2019 Easter Offering. Your support was so great we had to make longer tables to accommodate everyone at the dedication service on the 5th May. The total amount sent to the World Mission Fund from the Circuit was £1160"
